44TH ANNUAL HORSEFEATHERS CAR SHOW

WHAT'S ON THE PRESIDENT'S MIND

EMC PRESIDENT | DAN BYBEE

NEXT MEETING
Friday,
Sept, 4th

TBA

at 7:00pm

Horsefeathers 2020 was a great success.

With all that is going on, it came to me one day to hold the Annual event at my shop because of the huge lot located there and no permits or permission from anyone else. As it turned out it was a very good idea indeed. Thirty Seven Mustangs and One 1940 Ford were able to fit very nicely at the location. Approx. Seventy Five people were able to sit inside under shade and we had a grand feast for all to enjoy. Had an absolutely wonderful time with my grand daughter Maya, helping out with registration, awards, 50/50 & door prizes. She was a tremendous help and absolute pleasure.

Lots of great cars worthy of an award but unfortunately only had [10] to give away. Also had a different type of dash plaque this year, let me know what you think. By having this show we were able to keep the steak alive and look forward to

Horsefeathers 2021. Also of note is how after the show we all lined up and drove down the street to the local police station to show our support for the local police department. They are truly needed and appreciated. BACK THE BLUE , none of this defund nonsense that is going around. I had made a call letting them know we were coming in advance and several officers were outside to see our appreciation.

Also, the Applebee's car show is a go for labor day and we will need any help we can get to help cleanup afterwards as we have in the past. We get to park as a group together up by the restaurant. Will be looking for help with setting up the day before with barricades and caution tape also, let me know if you plan on attending. That's all for now. DAN the BOSS

AUGUST CLUB MEETING

PRESIDENT

Previous EMC members who have rejoined our group Jeannie and Wally Peterson who have a 69 Mustang Grande, Welcome back! What a great HorseFeathers hosted at Dan's Shop in Wheat Ridge. Many thanks to everyone for showing up with their cars and making this year's HF a great success. About 75 members came, and we had 38 Mustangs and Mike Belio's 1940 Coupe! Brian donated \$50 from his Raffle Winnings to the EMC Charity. After we wrapped up the event, we did a parade trip to the local Wheat Ridge Police Station, "Backing the Blue"!

September Driving Event is still a go and Darrell has sent out emails to those attending. The Fairmonte Car Show is still set for Sept 27th, it is a FREE show, and club members can meet at Darrell and Carla's house at 7:30am to then drive over all together. Their address is 11634 E Evans Ave Aurora 80014. Dan will be talking with the folks at Applebee's to find out if their Labor Day Car Show is still scheduled, and he will let us know at our next meeting on Sept 4th.

The SEMA show has been cancelled due to Covid-19 restrictions.

PARADE AND SHOW

HorseFeathers was fun and successful with 75 members showing up and 39 cars! We even got some new Club members. The HF Plates were a great success instead of dash plaques. Many thanks to all that helped out and volunteered their time setting up, picking up food and supplies, etc.

OLD BUSINESS/NEW BUSINESS

Please write up "The Story of Your Car" and send it to the Secretary, so it can be featured in our monthly newsletters in the future. All of us have some kind of story about our car and why we chose it. Share your story with all of us!

COLLECTOR CAR COUNCIL OF COLORADO

It should come as no surprise that there will not be a CCCC meeting on August 5th. Also most of our car club events are on hold for the time being. Check with The Latest Scoop to see if anything is scheduled, but as Tracey Ellis says "Call before you go". Clubs are holding informal drives and tours (keeping the cars at least 6 feet apart).

There are plans behind the scenes to hold the Havana Cruise and the Airport Show in 2021.

We have to announce that our treasurer, Tom Kay, will be leaving us for California by about the end of the year. Thus we will need to appoint or elect a new treasurer for 2021. The nominee does not have to be a club representative, so if you know of someone in your club who would serve, let any CCCC officer know.

Take care, go work on those car projects, and stay safe. Wear a mask and practice social distancing so we can slow down the pandemic and get back to holding events. Dick Fritz for the CCCC Board.

44TH ANNUAL HORSEFEATHERS CAR SHOW

Saturday August 1st by 10am there were close to 50 show quality mustangs already parked and cleaned up for the 44th annual HorseFeathers show.

This year's show was certainly different as it wasn't held at any of the malls or other larger venues as in the past. But Dan made his shop available to club members only and the members showed up! The club provided the main course of food for lunch and many members also brought side dishes.

The 100 or so Ford Mustang People weren't scared off and wanted to get out and meet the other members and show off what they had been working on all winter. The club presented 10 trophies and gave out almost \$150 in the 50/50 raffle and yes it was Brian that won it again! Dan had cleaned out his shop and most hung out inside as it was a hot day and the shade was nice.

After lunch and the awards ceremony all decided it would be nice to do a drive by the Wheat Ridge police station about 1 mile away to show our support. So everyone got in their mustangs and we caravanned over. The police on duty were all outside to greet us and they were very appreciative of the support from the members of the Early Mustang Club. Everyone felt this was the best HorseFeathers event! Bob

BONUS AIRSHOW

After the meeting at Mary Ann and Marty's hangar we got a mini air show. There were about 5 different planes flying over head doing touch and go's. It was quite entertaining. People brought their chairs out to sit and watch and Mary Ann brought out beers and wine. Such a beautiful evening with great people!

**EVENT
INFO**
Sept, 19-20th

This years event will be held September 19-20th. As in previous years the event is a mystery as to where we will be going. You will given driving directions at the starting point and at every stop along the way. At each stop we will be pulling cards for awards for best poker hand at the last stop. We will have plenty of trivia questions, games, and activities to enjoy with 1 or 2 events along the way.

We will make every attempt to keep prices as reasonable as possible and until we have all the details hammered out we can not give you a final price but will keep the total cost to \$300 or less for a couple. If more than 2 people will be in your party please let us know and we will let you know the added cost. In order to start making plans we do need to get people to register as soon as possible and put down a deposit of \$100.

This has been a wonderful time in the past couple of years for each person to learn a little more about each club member and have a great time traveling and spending time with everyone. Please consider joining us this year and if you have any questions please contact Jon/Donna Medin or Darrell/Carla Schwartzkopf.

Hints as to what AFCWGCCPAS will be provided at our monthly club meetings – prize for the one that guesses it correctly at the event.
