WHAT'S ON THE PRESIDENT'S MIND

EMC PRESIDENT | DAN BYBEE

NEXT MEETING

**Friday,
June, 3rd
Larry Miller
Ford**

6th & Simms
11595 W 6th Ave,
Lakewood, CO 80215

at 6:30pm

Had a good meeting this month

Lot's of members showed up, both long standing and recently joined. Also had a new member sign up. Welcome Gerry, good to meet you, and plan on seeing you and your Mustang in the future, at meetings and events.

Looking like we will have plenty of members show up at the Applebee's car show this Memorial Day. I will be contacting members for help with parking at RMMR, had some sign up at meeting but still need more.

Looking forward to the Bob Teets memorial coming up in June, (see details) as he was a great member

and a fine man. Horsefeathers is on track and you should sign up sooner rather than later as it does make the planning easier with t-shirt count and trophies.

Later DANtheBOSS.

MAY CLUB MEETING

The Early Mustang Club meeting was called order by the president at 6:30 at Larry Miller Ford with about 35 members present.

There will be a memorial for Bob Teets on June 5th Arapahoe Park near 44th and Indiana. Please RSVP for food count and bring classic cars to remember Bob by.

VICE PRESIDENT

The Vice president reports they're still working on a monthly photo contest of where was this photo taken. First response, most accurate wins and prizes awarded. More information upcoming.

TREASURE

The Treasure report is \$4,031 in the general fund and \$1,043 in the charity of fund. Club dues are now past due and names will be removed from the membership list. The director reports 58 cars showed up for the Mustang Day Cruise and it was a great success El Rancho Brewery was the end of the trip and a great place to have lunch.

TOURMASTER

There was a thought about an event crossing the Royal Gorge bridge in July sometime. Tourmaster reports that the Applebee's Memorial Day Car Show May 30th is on and volunteers are needed for trash detail at the end of the show. The EMC will not be parking in front of Applebee's but instead will be moving to the driveway area West. This will be our May event, the June event will be RMMR and August will be Horsefeathers.

PARADE AND SHOW

Parade and show reports Horsefeathers is coming along nicely. Please register for the show if you have not so we have enough t-shirts. Adams Polishes has donated detail products, Larry Miller has donated \$500, Autoweave donated \$100, Bristolcone has donated \$500, and Westrail Tap and Grill and Boss Auto Designs also sponsor. We are looking for donations for the silent auction. Bring those slightly used treasures to raise money for the club. Also considering a silent auction bid to have your car on the flyer of next year's Horsefeathers car show flyer. Also looking at having a club calendar made with our cars on it.

ROCKY MOUNTAIN MUSTANG ROUND-UP

RMMR update. There are still rooms at the host hotel the Alta and also at the Antler Hotel which provides covered parking. We do need a couple of volunteers for day of show registration work and for car show parking Saturday morning. Support your Mustang Club! There will be about seven food trucks including an ice cream truck, and also a breakfast truck at the hotel. This year there will be a vendor area and arts and crafts area which is new to the show. Also considering a special award for under 30 Mustang owner, cash prize.

Fall driving event will be held September 17th and 18th And is still a mystery destination. Cost is \$300 per couple or 225 single including most meals and hotel. This is really a fun trip if you can make it. And it's always great to bring a classic Mustang but not necessary. Next year event is going to be two nights and three days.

NEW BUSINESS

Welcome new member Gerald who has a 65 coupe with only 9700 original miles on it. Welcome! 50/50 raffle was held and the club made \$37.

Some upcoming notable shows June 26th at Arapahoe Park, 44th and Indiana is the FOMOCO car show \$5 per car entry fee and Maverick Mike is playing.

Also July 9th in Loveland is the All-American car show and July 4th Northglenn car show from 12:00 to 4:00.

The meeting was declared a success and adjourned about 8:00. Thank you Karen for the lemon tart cookies, they were delicious!

MONTHLY EMC EVENTS

MAY EVENT

MEMORIAL DAY CAR SHOW

EVENT INFO

**Monday,
May, 30th**

Place:

Applebee's

Cost:

\$10.00 per car

Show runs 10 AM to 3 PM, judging at 10 AM, trophies at 2 PM, over 60 trophies to be handed out, firetruck rides, Special trophies by O'Rileys auto parts.

SEMA

WORKING WITH LAWMAKERS ON LEGISLATION FIGHTING FOR THE RIGHT OF CAR OWNERS TO RESTORE THEIR CLASSIC CARS

In 2017, an enthusiast in Kansas purchased his dream car – a 1959 Corvette convertible with a hard top from a dealership across state lines in Indiana. But when he tried to register the car back home in Kansas, the Kansas Highway Patrol seized it as “contraband.” According to Kansas state law, the Corvette must be crushed and has been sitting in a Topeka impound lot ever since, while the owner pleads his case in the state court system.

Under Kansas law, police are supposed to seize any car whose vehicle identification number (VIN) “has been destroyed, removed, altered or defaced.” Such “contraband” vehicles “shall be destroyed.” There is no exception for a car lawfully purchased by someone who had no reason to be aware of its VIN issues. In the case of this 1959 Corvette, the dashboard VIN plate had been removed years ago during the car’s restoration and replaced with new rivets. Even though prosecutors admitted the owner was unaware of the VIN issue and that there was no question he is an innocent owner, costly legal proceedings to save his dream car continue to this day.

Upon learning of the case in late-2021, SEMA worked with state Rep. Leo Delperdang (pictured above right) to help introduce language to the law (H.B. 2594) to prevent this from happening again. The language aims to protect restorers and owners of classic vehicles – while not impeding on police ability to carry out their jobs – by clarifying that a VIN may be removed from an antique vehicle “if the removal and reinstallation are reasonably necessary for repair or restoration unless the person knows or has reason to know that the antique vehicle is stolen.”

The bill cleared the Kansas legislature unanimously and has now been signed into law by Gov. Laura Kelly.

While an extreme case, the Kansas enthusiast’s experience prompted SEMA to begin evaluating other states’ language to help ensure this extreme case remains just that. The process seeks to add clarification to similar existing laws to protect classic car restorers and owners.

In Arizona, SEMA-supported legislation (H.B. 2480) has been introduced to allow full restoration of pre-1981 vehicles, including temporary removal of the VIN when necessary. This bill changes existing law to allow for the removal and reinstallation of a VIN if the vehicle was manufactured before 1981 and if the removal and reinstallation is reasonably necessary for repair or restoration. Prior

to the addition of this language, enthusiasts who intentionally remove or alter a VIN, regardless of reason or vehicle model year, were guilty of a felony.

The Arizona bill passed the legislature and has now been signed into law by Gov. Doug Ducey.

This topic is just one example of the work SEMA undertakes every day to protect the automotive hobby and our freedoms to pursue such activity. SEMA Individual Members are showing support by joining that fight—if you’ve already done so, please spread the word with others by sharing this link for more information and encourage them to join today! www.sema.org

5TH ANNUAL EMC MYSTERY FALL CRUISE

FMPSTR: SEPTEMBER 17TH AND 18TH, 2022

Jon, Donna, Darrell, and Carla have put together another fun filled weekend full of mystery, games, prizes, fun activities, and spectacular views. While last years event may be hard to beat, we promise you there is something for everyone on this year's trip.

Price for this year's event is \$300 for a couple and \$225 for an individual. Price includes breakfast on Saturday morning, dinner Saturday night, breakfast on Sunday morning (lunch on Saturday will be on your own), 1 night hotel stay, all organized activities that are planned for Saturday and Sunday, and door prizes.

As like all other years, this is a mystery as to where everyone is going and where we will end up. We will give you the starting point and from there you will be given driving directions to a poker stop and the next destination and same

from there. There will be plenty of choices for lunch when we stop on Saturday, and we will be in places that will allow you time to shop if you so desire.

Limited space available! \$100 refundable deposit is due up front at time of registration, with final payment due by August 10th and by that date all funds will be non-refundable as we will have had to pay for the hotel and Saturday's dinner shortly after that date.

If you have any questions or concerns, please call us. Do not miss out on this great weekend. Please complete the below registration form and mail it along with the deposit to the address listed below or turn it in at a monthly meeting.

YOU DO NOT NEED TO DRIVE A MUSTANG TO PARTICIPATE.

Pease mail registration form and payment to Darrell

Schwartzkopf, 11634 E Evans Ave., Aurora, CO 80014 with checks made payable to Darrell Schwartzkopf.

FORD MUSTANG CONTINUES AS WORLD'S BEST-SELLING SPORTS COUPE, CAPTURING TITLE SEVENTH YEAR IN A ROW

DEARBORN, Mich., April 14, 2022 – For the seventh year in a row, Ford Mustang® – which celebrates its 58th birthday this Sunday – is the world's best-selling sports coupe, according to Ford analysis of registration data from S&P Global Mobility*.

Mustang retains its sales crown for 2021 led by the pinnacle of 5.0-liter V8 performance, Mustang Mach 1, and the track-ready Mustang Shelby® GT500®, the most powerful street-legal Ford and most advanced Mustang ever.

“When enthusiasts around the world get into a Mustang, they unlock that feeling of freedom and experience the open road,” said Kumar Galhotra, president, Ford Blue. “That feeling, along with iconic design, awesome powertrains and a passionate global community all contribute to making Mustang a sales leader for the seventh year in a row.”

According to Ford internal data, the United States remains home to the strongest demand for Mustang representing 76% of global sales. Other markets that saw growth in Mustang sales in 2021 include New Zealand, up 54.3%, Brazil, up 37.3%, and South Korea, up 16.6%. For those who wanted a Mustang of their own, customers retail orders nearly doubled in 2021 compared to the year prior.

Ford looks to continue this momentum with five new special editions in the lineup, including Mustang Ice White (also available on Mustang Mach-E), Shelby GT500 Heritage Edition, GT California Special, Coastal Limited and Stealth. From Mustang EcoBoost® to Shelby GT500, there is a special edition at every performance level for muscle car enthusiasts.

Mustang gains eight new color options for 2022 as well, including Ford Performance-exclusive Code Orange on Shelby GT500, while Brittany Blue Metallic returns specifically for Shelby GT500 Heritage and Coastal Limited models. Additional new colors are available across the lineup – including Atlas Blue Metallic, Cyber Orange Metallic Tri-Coat, Dark Matter Gray Metallic, Eruption Green Metallic, Grabber Blue Metallic and Mischievous Purple Metallic.

MUSTANG SHELBY GT500-H DEBUTS AS 900 HORSEPOWER RENTAL MONSTER

By Brett Foote May 10, 2022 11:25 am

Last week, Hertz teased a potential Ford Mustang Shelby GT350-H successor, which wasn't a huge surprise given the fact that the rental car giant has a rich history of offering special-edition Blue Oval vehicles, starting with the original Shelby GT350-H back in the 1960s, which was dubbed the “rent-a-racer.” At that time, Ford Authority speculated that this new high-performance rental might actually be based on the more powerful GT500, and that proved to be correct as Hertz has now revealed what it calls the Mustang Shelby GT500-H, as well as the Mustang GT-based GT-H.

Hertz is teaming up with Shelby American for the new Mustang Shelby GT500-H and Shelby GT-H. Shelby American will build both models at its facility in Las Vegas and then ship them to Hertz airport-based rental fleets across the U.S., where interested customers can rent one of the special edition models. The GT500-H is no ordinary machine, however, as the supercharged Ford 5.2L V8 Predator underhood has been treated to modifications that increase horsepower from 760 to over 900, making it the most powerful rental car Shelby has ever built. The GT-H, on the other hand, comes equipped with a Borla cat-back performance exhaust for its Ford 5.0L V8 Coyote powerplant.

On the outside, all 2022 Shelby Mustang Hertz models are equipped with a host of unique features that set them apart, visually speaking. Nineteen of the Shelby GT500-H models built will wear Shadow Black exterior paint and six will be finished in Oxford White to honor Shelby American's 60th anniversary.

The Shelby GT-H fastbacks and convertibles will be available in Rapid Red Metallic, Oxford White, Carbonized Gray, and Shadow Black. All will feature gold “Le Mans” dual racing stripes and set of special rocker stripes, along with Hertz Edition and Shelby 60th anniversary emblems, aluminum forged mono-block wheels, performance spec tires, tinted windows, Shelby badges, and both driver- and passenger-side stripes.

Inside, Shelby and Hertz logos are featured on the seats, sill plates, and floor mats with a numbered badge located on the dash and under the hood, where the supercharger on the Shelby GT500-H is finished in gold to match Hertz's livery. Meanwhile, the Shelby GT-H rides on 20-inch aluminum wheels wrapped with all-weather Michelin tires and is also equipped with a Shelby-designed deep-draw hood, upper grille, fascia winglets, and taillight panel.

The Mustang Shelby GT500-H will be available to rent in Fort Myers, Las Vegas, Miami, Orlando, Phoenix, and Tampa. The Mustang Shelby GT-H convertibles and coupes will be available in Atlanta, Dallas, Fort Lauderdale, Fort Myers, Las Vegas, Los Angeles, Miami, Orlando, Phoenix, San Diego, San Francisco, and Tampa.

46th ANNUAL HORSEFEATHERS ALL FORD POWER CAR SHOW
